USA 2017

JULY 2017
12-13

CONFERENCE

APPLICATION OF *IN-VITRO* AND *IN-SILICO* APPROACHES
IN TOXICOLOGY, SAFETY ASSESSMENT AND REGULATION

Searles Conference Center
Duke University Campus / Durham, North Carolina

TOPICS

- S1** Application of Omics Data Analysis in Safety Assessment
- S2** Data Management & Knowledge Sharing Infrastructures to Support Data-Driven Analysis of Existing & Future Toxicology Data
- S3** Data-driven Development of AOP Knowledge
- S4** Integrated Approaches to Testing and Assessment
- S5** Incorporating Realistic Exposures to Transformed Materials into Toxicity Testing

CONFERENCE CHAIRS

- | | |
|------------------------------------|---|
| Antony Williams US EPA | Nicole Kleinstreuer NTP/NIEHS |
| Richard Paules NTP/NIEHS | Stephen Edwards US EPA |
| Stacey Harper OSU | Barry Hardy DC, Switzerland |
