Guidelines for Documents Submission
OpenTox Conference Speakers

In preparing the needed documents for submission, the invited speakers should prepare and submit the documents according to the following guidance:

Speaker biography - contains background and interests, written as text in third person
Format: word, rtf, txt or pdf
Dimension: ~250 words

Speaker picture - portrait
Format: jpg, jpeg
Minimum Dimensions: 250px for height, 300px for width

Speaker abstract of presentation - overview of what presentation will contain and aim to achieve
Format: word, pdf or ppt document
The abstract should be no longer than 2000 characters (without space characters);

Please ensure complete listing and correct order of all (co-)authors, correct formatting and grammar. Accepted abstracts will be printed and published as they have been submitted.

Changes are not possible anymore after the deadline.

Please submit your materials through the following form:
